Public Present: John Pomer, Lisa Post

- No Public Comment

- Reviewed progress of Committee to date.

- Discussion of Town Departments and Committees providing input. T.A. Russ Boland is reaching out to the various committees and departments.

- Review of Committee Progress to date

- Discussion of Survey subcommittee. Bob Newton talked about offering an information table at the presidential election. We discussed reaching out to the media to garner more interest in the survey.

- Other new business

Lou Rota spoke with Jessie Salisbury to discuss the previous survey. She said that she did not recall a survey in 2000 and could not find one in her files. She did say there was a meeting where people spoke about what they wanted.

- Public Comment

John Pomer discussed the Conservation Commission input for the Master Plan. He said the group wanted to continue to protect the rural nature of the town and preserve more land if possible.

Closed meeting 8:15 by unanimous vote.
